# Preregister for your Delivery

Expectant moms have enough on their minds before baby arrives. Now, you can check one task off the pregnancy to-do list by preregistering for your upcoming hospital stay through MyChart.

Step #1

On your smartphone, laptop, desktop or tablet, enter **https:MyChart.CentraCare.com** into your web browser, or open your MyChart app.

Step #2

Log on to your MyChart account by entering your username and password.

Step #3

In the navigation bar, click on "Menu" to see the drop-down box.
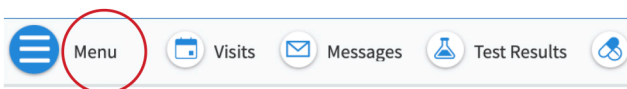

Step #4

From the drop-down box, choose "Register for my Delivery."

Step #5

Follow the prompts to choose where you plan to deliver your baby and complete the online preregistration.

You will receive a confirmation of your preregistration by email. If you have any questions about your upcoming admission, please call your hospital.
