

## MEMO

---

**TO:** CCLS Clients  
**FROM:** CCLS  
**DATE:** June 29, 2021  
**SUBJECT:** CCLS – Lead testing changes

---

Due to manufacturer recall, in-house lead testing will be discontinued, **effective immediately**. Date of resolution is yet to be determined.

For patients that cannot wait for on-site testing to resume, a venous sample can be drawn and sent to Mayo for testing. Mayo test code: LAB0234349

A follow up memo will be sent out when testing can resume. We apologize for the inconvenience.
