

## MEMO

---

**TO:** CCLS Clients  
**FROM:** CCLS – Specimen Referral Center  
**DATE:** 12/22/2021  
**SUBJECT:** Mycoplasma hominis, PCR

---

Effective December 17, Mayo made the following test obsolete:

***Metamycoplasma hominis, Molecular Detection, PCR, Varies, Mayo test code MHRP (Lab 0231720)***

Explanation: Due to reagent supply issues, this test became non-orderable. An update will be provided when testing resumes. There are currently no referral options available through Mayo Clinic Laboratories as we were unable to secure an equivalent test option.

Please feel free to contact the Specimen Referrals Center with any questions at 320-251-2700 Ext. 57320
