Target Audience

Registered Nurses, health care professionals, body-oriented therapists, psycho-therapists, licensed health care professionals chaplains, and those who desire to study energy therapy with a commitment to help others.

Course Description

The theoretical concepts which underlie holistic healthcare practices are explored along with how they relate to the core values which guide the practice of Healing Touch. Healing Touch techniques used in the etheric field are acquired along with an understanding of how they interface with the human biofield.

Objectives

The learner will be able to:

- Explore qualities and self-care needs of a Healing Touch Practitioner.
- Discuss the facets of Healing Touch and correlate techniques that support physical, mental, emotional, and/or spiritual healing.
- Demonstrate Healing Presence: the ability to remain grounded, present, and heart-centered.
- Describe personal perceptions of subtle energy/heart-centeredness.
- Apply the Healing Touch Framework to a variety of energy interventions.
- Evaluate the seven energy centers (chakras) and relate energy layers that surround the body.
- Describe rationale with use of specific Healing Touch techniques.
- Discuss the Healing Beyond Borders Code of Ethics, Standards of
- Practice and Scope of Practice required of a beginning Healing Touch student.
